

NON-CERTIFIED Cats-Eye Cage vs CERTIFIED Cats-Eye Cage

There have several officials asking for clarification on the Cat's eye face masks for goaltenders. Please see the image below to see ONLY legal cat's eye mask that is available for goalies.

This mask is certified and carries with it the CSA sticker on the back acknowledging it as being safe to play with. Please ensure that the helmet does indeed have the appropriate certification.

If you encounter any further problems, please do not hesitate to contact me and I will forward your concerns to appropriate contacts.

Thanks,

Bruce Gray
