

Code of Conduct and Discipline

Each official is required to read and fully understand the Code of Conduct and the Code of Discipline as outlined in the Bytown District B Officiating Program, Constitution and Regulations. These can be found on our web site.

After you have read these excerpts please sign and date the attached sheet and return it at our next meeting. Only sign and date it if you FULLY understand it. If you have any questions please contact **Rick Cooper**, Director of Discipline. If you are under the age of 16 we will require that your parent or legal guardian co-sign as well.

Officiating for District B is a part time job. There is no difference between officiating here and working at a restaurant, grocery store, or any other part time job. Like most businesses there is an acceptable and expected level of conduct for safety, security, and respect for all. Communication between you and the Assignors and/or the Executive is to be done by the registered official. Communication via a parent, spouse, friend, etc is only acceptable under emergency conditions. This means, for example, that if you need to turn back a game, have a test at school that was last minute assigned to you, feel ill, or anything of the sort, it is your responsibility to contact the Assignor and/or Executive personally, not your parents.

ALL Officials are encouraged to read District B's Constitution and Regulations. This document can be found on our web site. If you do not understand any part of the Constitution, then please contact any member of the Executive for clarity and confirmation.
